Leadership Greater New Haven & Executive Orientation

The Greater New Haven Leadership Center, a premier program of the Greater New Haven Chamber of Commerce, seeks nominations and applications from individuals in corporate, non-profit and government organizations for its Leadership Greater New Haven Class of 2011 and its Fall 2010 Executive Orientation class.

The Greater New Haven Leadership Center's mission is to identify aspiring leaders and support their growth through leadership training and community education so that they may serve as catalysts for change in the Greater New Haven community. Entering its 26th year this September, Leadership Greater New Haven (LGNH) is a 10-month program for professionals of all levels. Participants must also complete a community service project. Now in its 14th year, Executive Orientation is designed for senior executives who are interested in understanding the relevant regional issues, concerns, politics and dynamics of the region in which they live and work.

A limited number of scholarships will be available for both programs to qualified applicants from non-profit organizations. There are currently 629 LGNH alumni, and 156 alumni of the Executive program.
